VITA HAIR™

Sullivan's Hair Nourishing Vitamin Package

Enriched with Hair Vitamins E, Biotin and Pro-Vitamin B-5.

Infused with VITA HAIR™ nourishing vitamin package.

How do the VITA HAIR Nourishing Vitamins work?

Biotin vitamin is the first vitamin thought of when considering HAIR GROWTH. The major benefit of Biotin is its ability to strengthen both the hair follicle and the hair shaft, where the hair is produced, which prevents hair breakage and dryness. This is a proven, crucial step in the natural hair growing process. Biotin enriched hair has increased elasticity of the cortex which prevents breakage. This enables healthy, **FASTER HAIR GROWTH**. Biotin also thickens the hair cuticle providing a fuller appearance.

Pro-Vitamin B-5 is considered the king of all HAIR CARE vitamins. Pro-Vitamin B-5 stimulates healthy scalp circulation which leads to improved hair health. It coats the hair and seals its surface, lubricating the hair shaft making the hair shine, it possesses superior long term moisturizing properties because of its unique ability to penetrate and nourish the hair shaft.

Vitamin E is an antioxidant that stimulates circulation to the skin and supports capillary growth. The skin needs to have proper circulation in order to keep the hair follicles alive and thriving. When there are more capillaries, the circulation improves leading to increased nutrient absorption into the hair follicles, which speeds hair growth.

Naturally Healthy Hair...HOW?

Bright Lights is formulated with the purest grade of naturally organic, plant based agricultural resources. This clean, bio-based surfactant technology attacks the dirt and pulls it away from the hair and skin for the upmost in brightening and whitening. More importantly, being natural, it does not contain any harsh invasive detergents that can strip the natural oils and nutrients from your animal's hair and skin. This Biodegradable, Earth Safe shampoo is purified to be free of abrasives, petroleums, toxins, or solvents which can be irritating.

Bright Lights is a fantastic whitening shampoo for brightening and enhancing hair and wool in livestock that is naturally healthy for hair. Intensifies all colors of hair coats. Bright Lights shampoos away yellow tint and stains. Leaves the coat with a beautiful luster. Recommended for cattle, sheep, swine and goats.

Enriched with VITA HAIR™ vitamin package for added nourishment to the skin and hair. Refer to left column to learn how VITA HAIR™ will enrich your hair coat naturally.

Directions:

Wet entire animal, then apply Bright Lights directly onto the hair. Lather and gently work deep into hair with a massage brush. Only leave in hair coat up to 3 minutes, then rinse thoroughly with water. For severe stains, repeated use in successive days may be necessary.

Keep Out of Reach of Children.
