

SU-PER Leanabolic Powder

Gateway

Benefit Statements:

- *Supports Normal Muscle and Nervous Systems!*
- Training and performance support for exercising muscle.

SU-PER Leanabolic is a complete training and conditioning supplement, and helps increase and maintain lean muscle mass, improves strength and stamina, and supports the production of energy needed for optimal performance. It's the perfect supplement for maintaining strength and stamina throughout a long season, recovery from injury, or during stressful times. It is safe for older horses as well, helping to maintain body weight and muscle mass in periods of inactivity or illness. SU-PER Leanabolic is drug-free, test-free, and can be used safely on horses of any age.

Available Size: 4 Pound (The 4 pound contains a 1 month supply for one horse)

“MONEY BACK GUARANTEE: If you're not happy with the results, return it for a full refund!”
