

Rosewater Conditioner

Cowboy Magic®

Revitalizes & Detangles

“Leaves Hair Smooth and Silky”

Product Benefits:

Problem: Dry, dull, lifeless looking coats, manes and tails.

Solution: **Cowboy Magic®** Rosewater Conditioner provides some pretty slick moisturizing and detangling benefits, plus it's easy to rinse out leaving hair smooth and silky with a ***new, healthy look and feel.***

Problem: Build up on hair coat can occur from dirt, sweat and other products used on coats, manes and tails.

Solution: Proprietary **Cowboy Magic®** Rosewater Conditioner used after **Cowboy Magic®** Rosewater Shampoo completes the fuller, silkier and healthier look and feel ***leaving hair easy to brush and comb, “smells good too”.***

Problem: Hair can be over exposed to sun and smog or dust and dirt.

Solution: **Cowboy Magic®** Rosewater Conditioner is formulated to help ***condition and restore for a natural look and feel.***

Easy Directions: After shampooing, use **Cowboy Magic®** Rosewater Conditioner to complete the full, healthy look and feel. Apply conditioner directly to clean, wet hair; massage and work throughout the length of hair. Let soak at least 2 minutes and rinse.

For Super Savings: Use 1 oz. conditioner with 2 gallons of water in a bucket, blend well, then follow **Easy Directions**. For the ultimate finish, use **Cowboy Magic®** Detangler & Shine, ***“then stand back and prepare to smile”.***

Common Sense Caution: For external use only.
