Premier Equine Shampoo

For All Horses • A Daily Shampoo

Safe For Pets

You will notice a significant difference the first time you use Premier Shampoo, making your horse or pony shiny and radiant. Leaves the hair shaft completely clean, without coating the hair. Premier Shampoo uses a formula of natural botanical extracts to gently cleanse and intensify colors. Making whites brilliant, browns richer, and darks even darker and shinier than ever before. Restores moisture, balance, and strength to the coat, mane, and tail. pH balanced. Silicone free. For best results, use with Premier Conditioner and Premier Spray for maximum conditioning and moisturizing benefits. Safe for all horses, ponies, pregnant mares and foals. Tropical scent.

- Gently cleanses without harsh soaps or detergents
- Adds a high gloss shine to coat, mane and tail
- Brightens and intensifies all colors
- Rinses out quickly and easily with less water
- Horses cool out faster

Directions: Dilute 2 or 3 ounces in a bucket of water. Shampoo, rinse and scrape dry. Use with Premier Conditioner on mane and tail and finish with Premier Spray for a completely beautiful and healthy skin and coat.
