

# Gall Salve

## ***Bickmore®***

For quick relief of sores, abrasions, cuts & galls.  
Will not rub or sweat off.

### **Caution: Harmful if swallowed**

Provides relief to sores, abrasions, cuts & galls. Do not use on puncture wounds.  
Allows the horse to work while healing.

**Directions:** Treat affected area up to 4 times daily. Once scab falls off, continue use. Reapply lightly to keep water out and promote healing.

**Ingredients:** Petrolatum, lard, sulfur, borax, potassium alum, beeswax, water, oxy sulfate, blue dye.

Store in a cool area. Protect from freezing. Do not take internally. For 24 hour medical emergency information call (800) 704-1559.

**Keep out of reach of children. For use on non-food animals only. Not for human use.**
