

# Equine Relief Antimicrobial Wound Relief Lotion

## *Equine Elite Labs*

Surgical Scrub Power in a Soothing No-Sting Lotion

Gentle      Powerful      Effective      Fast

**Use on Wounds, Sutures, Scrapes, Itching, Fungus, Rashes, Insect Bites and More**

Great on Dogs, Too

### **Active Ingredient:**

Benzalkonium Chloride

### **Wound Relief Lotion**

Soft sterile skin heals fast. This soothing lotion not only medicates but helps the skin stay elastic for faster repair. It is designed to penetrate deep into the skin instead of only medicating the surface. Also great for suture sites. It is gentle and does not sting. Safe for use on genitals.

**Directions:** Smooth onto clean skin or wound. Apply twice daily until healing is complete.
