

Freshen Up™

Sullivan Show Supplies

Skin Moisturizer for Lambs

Freshen Up™ is an innovative product to moisturize and refresh a show lamb's hide.

Directions: SHAKE WELL before use.

For show day preparation, after shearing lamb, spray Freshen Up™ over entire body and brush in. Place a Sullivan's Sheep Blanket on lamb. Remove blanket 45 minutes before entering show ring. Simply rinse out with water or wash with Sullivan's Rejuvenate™ Shampoo.

Recommended at home for sheared lambs. Freshen Up™ will replenish oils to moisturize and prevent hide from drying out. Does not need to be rinsed out. Great to use on lambs that have had ringworm to assist with faster healing.

Caution: Contents under pressure. Do not use near heat or flame. Do not puncture or incinerate. Avoid spraying in eyes. Do not expose to heat or store at temperatures above 120°F. Keep out of reach of children.

Other Components: Propane (CAS #74-98-6), Isobutane (CAS #75-28-5), N-Butane (CAS #106-97-8).
