

# Kool Lube

## *Oster® Professional Products*

### COOLANT / LUBRICANT / CLEANER

**CAUTION: Combustible**  
**Contents Under Pressure**  
**Keep Out Of The Reach Of Children**

May cause eye irritation. Acute exposure may also result in discomfort or pain, excess blinking or tearing with possible redness and swelling. May cause skin irritation. Prolonged or repeated contact may dry skin and cause irritation. Symptoms may include redness, dryness and cracking of the skin. May cause lung damage if swallowed. If inhaled, may cause respiratory tract irritation. If breathed through the lungs, may cause chemical pneumonitis. May aggravate allergic reactions and asthma symptoms. Vapors may cause drowsiness and dizziness. May contaminate the waters. Lubricating oil is slippery. If a spill or leak occurs, absorb spill with inert, absorbent material and place in suitable container, wash the area with water thoroughly after spill is contained properly.

**PRECAUTIONS:** Keep away from heat, flame and oxidizing materials. Do not store in temperatures above 120°F. Keep container tightly closed and in a well-ventilated area. Avoid contact with skin and eyes. Use only in well-ventilated areas. Do not swallow. Avoid breathing gas, fumes, vapor or spray mist. Do not eat, drink or smoke while using. Wash hands before eating, drinking or smoking. Keep out of drains, sewers, ditches and waterways. Minimize use of water to prevent contamination.

**First Aid Treatment: If contact with eyes:** Immediately flush eyes with plenty of water. If wearing contact lenses, remove them. **If contact with skin:** Immediately wash with water. Remove contaminated clothing and shoes. Wash clothing before reuse. If irritation develops and persists, call a physician. **If inhaled:** Remove person to fresh air. If breathing stopped, begin artificial respiration. If breathing is difficult, administer oxygen. **If swallowed:** DO NOT induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. **General Advice:** In case of an accident or if not feeling well, seek medical attention immediately.

#### **Directions For Use:**

1. Remove cap.
2. Spray Kool Lube® on both sides of clipper blade to reduce friction, heat and blade wear without the heavy residue of oil.

**Note:** Product is not required to be labeled as flammable as described in 16 CFR 1500.3 and 1500.45.

**THE USER OF THIS PRODUCT ASSUMES ALL RISKS OF USE, STORAGE AND HANDLING NOT IN ACCORDANCE WITH ITS DIRECTIONS AND CAUTIONS.**

**Contains:** Ethanol (CAS # 64-17-5); Isobutane/Propane Blend (CAS # 75-28-5/74-98-6); Water (CAS # 7732-18-5); Triethylene Glycol (CAS # 112-27-6); Isopropyl Alcohol (CAS # 67-63-0).
