

# Quik Shot® Spray Paint for Livestock Marking

## LA-CO Industries

### ALL-WEATHER

First Choice in Livestock Marking

### INVERTED TIP

Ideal for Tail Painting

Water Based Paint

Weather & Fade Resistant

**DANGER** EXTREMELY FLAMMABLE LIQUID AND VAPOR. VAPORS MAY CAUSE FLASH FIRE. CONTENTS UNDER PRESSURE. VAPOR HARMFUL. See other cautions on back panel.

### Directions:

1. For best results, use when can is between 40°F and 90°F (4°C and 32°C).
2. Shake can vigorously for at least one minute before and occasionally during use.
3. Invert can and point spray button towards animal to be marked. Hold can 4 to 6 inches away from the animal. Avoid spraying near mouth, eyes or ears of animal to be marked.
4. If clogging develops or if the spray pattern should become restricted, remove and clean spray head. DO NOT stick pin or other objects into can opening. With can and spray head pointed away from you, reinsert spray head with a gentle twisting motion.
5. To clear spray head for future use, turn can right side up and spray for 3 seconds. Completely empty cans may be recycled or disposed of in regular trash. Dispose of partially empty cans responsibly. DO NOT incinerate or compact.

**Contains: VM&P Naphtha 64742-89-8, Propane 74-98-6, Toluene 108-88-3, N-Butane 106-97-8, Calcium Carbonate 1317-65-3, Mineral Spirits 64742-47-8.**

OTHER INGREDIENTS: "Contents Partially Unknown", Water 7732-18-5.

**WARNING:** Cancer and Reproductive harm – [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

**DANGER** Extremely flammable aerosol. Contains gas under pressure; may explode if heated. May damage fertility or the unborn child. May cause respiratory irritation. May cause damage to organs through prolonged or repeated exposure.

**Prevention:** Pressurized container: do not pierce or burn, even after use. Use only with adequate ventilation. Do not breathe dust/vapors/spray mist. Avoid contact with eyes/skin/clothing. Wear protective gloves/clothing/eye protection. Keep away from heat/sparks/open flames/hot surfaces. Do not eat/drink/smoke when using this product. Do not spray on naked flame or other ignition sources. **Response:** In case of fire, use extinguishing powder or water spray. Immediately contact a doctor or POISON CONTROL CENTER if you feel unwell. If medical attention is needed, have product label at hand. **IF IN EYES:** Rinse with water for several minutes. Remove contact lenses

if present. If eye irritation persists, seek medical attention. IF SWALLOWED: Rinse mouth with water. Do not induce vomiting. IF INHALED: Remove to fresh air and rest in a comfortable breathing position. IF ON SKIN: Wash thoroughly with water. Remove all contaminated clothing. **Storage:** Store locked up. Protect from sunlight and do not expose to temperatures exceeding 50°C/122°F. **Disposal:** Dispose of product in accordance with local/regional/national/international regulations. **Additional Precaution Statements:** Vapors may ignite explosively and cause a flash fire. Prevent build up of vapors by opening windows and doors to achieve cross ventilation. Reports have associated repeated and prolonged occupational overexposure to solvents with permanent brain and nervous system damage. Intentional misuse be deliberately inhaling the contents may be harmful or fatal. If you experience eye watering, headache or dizziness or if air monitoring demonstrates vapor/mist levels are above applicable limits, wear a NIOSH approved respirator during and after application. Follow respirator manufacturer's directions for respirator use.
