

# **Survivor Super Detangler Shine**

## ***Eqyss® Grooming Products***

**Mane            Tail            Braids**

**Leave On Wet or Dry**

**Cruelty Free**

A distinct blend of ingredients to gently rid manes and tails of tangles and enhance all over shine. Gently smooth over braids to polish and soften ends. Added Vitamin E protects the skin without any alcohol. Use after bathing for a silky all over application, or on dry hair to enhance shine in between bathing. Helps reduce attraction of dust and dirt.

**Directions:** Put quarter size amount in your palm, rub together and run fingers through mane or tail. On braids simply rub a small amount on each braid. For knots or mats, put a drop of Survivor directly onto knotted or matted area and comb out. It's that simple. Nothing works better!

**Ingredients:** Cyclomethicone (and) Dimethiconol, Tocopheryl Acetate (Vitamin E), Green #6/CI61565, Fragrance.

**Safe for Human Use • pH Balanced • 100% Guaranteed**
