

Perfect Balance Electrolite™ Paste

Peak Performance

Replenishes Electrolytes Lost During Exercise

Zero Sugar

Serving Size: Approx. 26cc

Servings Per Container: 3

Perfect Balance Electrolite combines premium quality food grade electrolytes in the proportions that horses lose in sweat during exercise. Completely sugar free. Sugar such as dextrose will slow gastric emptying thereby delaying electrolyte absorption.

Guaranteed Analysis Per lb:

Sodium (min.)	11.0%
Sodium (max.)	12.5%
Potassium (min.)	10.0%
Chloride	30.0%
Calcium (min.)	1.3%
Calcium (max.)	1.8%

Vitamin D3	259 IU
Zinc (min.)	181 ppm
Manganese (min.)	181 ppm
Copper (min.)	155 ppm

Ingredient Statement: Sodium Chloride, Potassium Chloride, Water, Calcium Chloride, Magnesium Chloride, Vitamin D, Zinc Citrate, Copper Gluconate, Manganese Amino Acid Chelate, Sorbic Acid, Xanthan Gum.

Directions For Use:

- Consult with your veterinarian prior to administering this product.
- Administer one serving (Approx. 26 cc) 3-4 hours before and 1 serving 1 hour after strenuous activity.

For Use In Horses Only

Note: Use in accordance with event rules which govern the use of all products, including the timing for when products may be used.

Perfect Balance Electrolite™ from Peak Performance Nutrients is designed to replenish electrolytes lost through sweat from intense exercise. It is important to always keep your horse well hydrated with fresh water readily available. Perfect Balance Electrolite™ is also available in a daily feed powder.

Store sealed in a cool, dry location away from heat, moisture and direct sunlight. Do not freeze. If accidentally frozen, thaw at room temperature.
