Formula 1 Noni (morinda citrifolia) is a tropical botanical with hundreds of years of natural medicinal uses. Considered an adaptogen, it has the unique ability to help your horse adapt to stress and other conditions by strengthening many functions of the body at the cellular level. Formula 1 Noni will help your horse

attain its full genetic potential. Formula 1 Noni is also a source of many essential vitamins, minerals, and antioxidants.

Hyaluronic Acid (HA) plays an important role in the maintenance and construction of healthy joints, tendons, ligaments, and synovial fluid. It also contributes to healthy skin, coat, and eyes.
