

# Original M-T-G™ *plus* Shapley's

**Same Great Formula *plus* Fresh Herbal Scent**

## **The Single Solution For:**

Fungus • Rain Rot • Girth Itch • Scratches  
Sweet Itch • Tail Rubbing • Dry Skin • Bug Bites  
Mane & Tail Growth, Conditioning and Detangling

Original M-T-G- *plus* is an easy to use, time-tested solution for both skin healing and hair growth.

It is the same effective formula as Original M-T-G, but now with a pleasant herbal fragrance!

The unique Original M-T-G *plus* formula calms skin issues while conditioning the skin and hair around the affected area, resulting in healthy skin and beautiful hair. It provides quick and complete relief for numerous skin problems.

When applied weekly, Original M-T-G *plus* creates a healthy environment for the hair follicle, with users reporting up to 3 inches of new growth on manes and tails in a single month. Original M-T-G *plus* is also an excellent mane and tail conditioner.

**Recommended by Veterinarians, Trainers, Horsemen and Satisfied Customers Worldwide.**

Irish Equine Centre Approved  
(Prohibited Substances = Negative Ref: 14M06063)

**Directions:** TURN BOTTLE UPSIDE DOWN AND SHAKE VIGOURSLY. Yellow sediment must be thoroughly mixed. Shake frequently during application.

To prevent a possible allergic reaction to sulfur, perform a patch test for sensitivity on an unaffected area prior to use. Allergic reactions usually appear within 24 to 48 hours. Shampoo out any other treatments before applying to avoid any cross reaction.

**For Skin Problems and Rubbing:** Apply Original M-T-G *plus* sparingly directly to the affected area and leave on. Reapply daily until all visible signs of skin problems are gone. Affected area does not need to be washed prior to each reapplication.

**For Tail Growth:** Apply Original M-T-G *plus* sparingly to dry tail bone, massage in and leave on. Work residual product through tail. For optimal results, loosely braid and bag tail.

Do not wrap tail bone. Reapply weekly.

**For Mane Growth:** Apply Original M-T-G *plus* sparingly along base of dry mane, massage in and leave on. Wipe off any excess product on neck under the mane. Reapply weekly.

**For Mane and Tail Conditioning, Detangling and Stain/Burr Removal:** Apply Original M-T-G *plus* sparingly through mane and tail, work in well, leave on overnight and wash out.

**Helpful Hints for Original M-T-G *plus*:**

- Do not use a sprayer when applying.
- To prevent sunburn when applying, keep animal out of intense sun or apply in the early evening.
- Does not need to be washed out between applications.
- Effective in preventing skin issues when applied on a weekly basis.
- Great for cold weather application as it does not require either washing or water.
- Use as recommended to avoid any potential adverse effect.
- For easy removal, wash out with Shapley's Hi Shine Shampoo.

Original M-T-G *plus* is also safe and effective for skin problems on dogs, cats and livestock.

**Caution:** Use as directed. If irritation occurs, discontinue use, shampoo out and, if necessary, consult a Veterinarian. Keep from reach of children. Although safe, not sold for human use. Do not ingest. If accidentally ingested, do not induce vomiting. Consult your doctor. If contact with eyes or mouth, flush thoroughly with water.
