

LifeLine® Nourish™ Colostrum Replacer

LifeLine Annuso

Newborn Beef & Dairy Calves

Healthy nutrition when colostrum is unavailable

25% added fat plus carbohydrates for an optimal start

Provides 100 g of Globulin Protein in one feeding

Smooth, easy mixing with water

LifeLine Nourish is the only colostrum replacer formulated with 25% added fat plus for carbohydrates for extra energy. Nourish is ideal for beef calves that are orphaned, abandoned or born in harsh conditions and may not have nursed, and for dairy calves when colostrum is unavailable. The serum-based formulation delivers 10 grams of globulin protein plus vitamins and minerals for healthy nutrition.

Feeding Directions

Nourish is the first feeding and has its greatest impact when fed within 4 hours of birth. Mix 1 package with 1.5 quarts of warm (105°F/40°C) water. Stir until completely dissolved. Feed to the calf in one feeding via nipple feeder or esophageal feeder as soon as possible following birth.

Storage

Store at room temperature in a dry place. Use mixed product immediately—do not store.

The Lifeline Promise

Our promise to you is to deliver innovative products that are easy to use, highly palatable and provide a quick visual response. It's that simple. Because we know you care about your animals and we – just like you – want to see them healthy and *thriving*.
