It's all about the animals.™

PRODUCT FACTS (continued)

For use in horses, AniFlex GL's unique, natural formulation contains Glucosamine, HA and MSM which are easily absorbed to help maintain the health and resiliency of joints and connective tissue. The antioxidants Vitamin A, Vitamin C, Vitamin E, Yucca and Hesperidin help remove damaging free radicals, while Creatine and vitamins and minerals help maintain healthy bone, connective tissue and joint structure and function.

DIRECTIONS FOR USE: Supply horses of all classes 2Tbsp daily for 14 days, then provide 1Tbsp daily for maintenance. The large end of the enclosed scoop measures 1Tbsp; approximately 1/2 ounce.

WARNINGS: For animal use only. Keep out of the reach of children and other animals. In case of accidental overdose, contact a health professional immediately. This product should not be given to animals intended for human consumption.
