**Inactive Ingredients:** Ascorbic Acid (preservative), Calcium carbonate (anticaking), Corn starch (sweetener), Dextrose (sweetener), DL-alpha-tocopheryl (Vitamin E) (preservative), Dicalcium Phosphate, Ferrous Sulfate, Folic Acid, Magnesium Sulfate (desiccant), Niacin, Potassium chloride (preservative), Salt (carrier), Sugar (sweetener), Thiamine hydrochloride, and Zinc sulfate.

**Cautions:** Safe use in pregnant animals or animals intended for breeding has not yet been proven.

Keep tightly sealed and store in a dry place out of direct sunlight.

The unique formulation of Muscle-Up™ is designed to support your canine athlete's overall health and the function of their muscular systems. Muscle-Up™ may be used during training and performance for support of the exercising muscle. Added benefits of Muscle-Up™ may include support for normal physical and mental performance. Regular use of Muscle-Up™ helps maintain proper body composition for the performing dog.

**Directions For Use:** Mature dogs provide 1 teaspoon daily. Amount and frequency may be varied. The small end of the enclosed scoop measures approximately 1 teaspoon.

**Warnings:** For animal use only. Not for human use. Keep out of the reach of children. In case of accidental overdose, contact a health professional.
