

Mane 'n Tail® Detangler

Straight Arrow®

Spray-On Friction Free Slip

Eliminates Tangles & Knots, Conditions & Fortifies Hair

Shake Well Before Use

The Original Mane 'n Tail® Detangler is an exclusive formula that eliminates tangles and knots while providing additional conditioning benefits. Manes and tails become easily manageable with a friction free slip that allows your fingers to glide through the hair effortlessly. Saves time while grooming and avoids excessive tearing and breakage of knotted hair. **Mane 'n Tail® Detangler**, the solution for maintaining and achieving longer, healthier manes and tails.

Detangler Benefits Include:

- Friction free slip that avoids excessive tearing while allowing easy glide through hair
- Conditions and fortifies hair strands
- Helps achieve and maintain longer healthier manes and tails
- Keeps hair tangle free, soft and manageable for grooming and braiding
- Pleasant non-fragranced

Suggested Use: For instant slip detangling and conditioning of manes and tails. Product may be used while manes and tails are wet or dry.

Directions:

Dry Use: Spray directly onto hair. Spray until enough product is on the hair to create slip. Work in with fingers or comb throughout the entire hair until tangle-free. Do not rinse out.

Wet Use: For best results apply after washing with **The Original Mane 'n Tail Shampoo** and **Conditioner**. Spray directly on hair and work in with fingers or comb throughout the entire mane or tail until tangle-free. Do not rinse out.

General Precautions:

For external veterinary use only. Keep out of eyes and mucous membranes. Keep product from freezing.
