Benefit Statements:

- *Supports Proper and Active Kidney Function!*
- Maintains normal function of the urinary tract and kidneys.

SU-PER Uva Ursi is a feed supplement used to provide support for a healthy urinary tract. In addition to fighting infections of all sorts, Uva Ursi has historically been used to balance urinary pH, and cleanse the kidneys. Uva Ursi contains tannins that help provide a natural astringent effect, and has been shown to help flush the bladder of pathogens via its diuretic properties. It also contains allantoin, a chemical also found in aloe, which provides a soothing effect for irritated tissues.

Contains a 1 month supply for one horse
