

Original M-T-G™

Shapley's™

MANE—TAIL—GROOM

The single solution for:

Fungus • Rain Rot • Girth Itch • Scratches • Sweet Itch • Tail Rubbing •
Dry Skin • Bug Bites • Mane & Tail Detangling • Mane & tail Growth •
Mane & Tail Conditioning

Original M-T-G is a time tested, easy to use solution for both skin healing and hair growth. Original M-T-G provides quick and complete relief for numerous skin problems. Its unique formula calms skin issues while conditioning the skin and hair around the affected area resulting in healthy skin and beautiful hair. Original M-T-G is also an excellent mane and tail conditioner and when applied weekly, many users report growth of up to 3" a month. Recommended by Veterinarians, Trainers, Farriers, Horsemen and satisfied customers worldwide.

Results You Can See!

Irish Equine Centre Approved (Prohibited Substances = Negative Ref. 14M0603)

Directions: Turn bottle upside down and shake vigorously. *Yellow sediment must be thoroughly mixed.*

For Skin Problems & Rubbing: Wash out any prior treatment, then apply Original M-T-G directly to the affected area and leave in. Re-apply Original M-T-G daily until all visible signs of skin problems are gone. Affected area does not need to be washed prior to reapplication. M-T-G is also effective when used weekly as a preventative.

For Tail Growth: Apply Original M-T-G lightly to dry tail bone and leave in. Work residual Original M-T-G through tail. For maximum results, loosely braid and bag tail. Do not wrap tailbone. Re-apply Original M-T-G weekly.

For Mane Growth: Apply Original M-T-G sparingly along base of mane and leave in. Wipe off excess product on neck under mane. Re-apply Original M-T-G weekly.

For Mane & tail Conditioning, Detangling and Burr Removal: Apply Original M-T-G lightly through mane and tail and work in well. Leave on overnight and wash out.

Do not use sprayer when applying. Original M-T-G does not need to be washed out between applications. For easy and effective removal of Original M-T-G, wash out with Shapley's Hi Shine Shampoo.

Original M-T-G is also safe and effective for small animal skin problems, such as hot spots or itching caused by fungus, bacteria or dry skin.

Active Ingredient: Sulfur 4%

Inactive Ingredients: Mineral Oil, zinc stearate, glycerin, cade oil (rectified)

Caution: As a normal precaution to prevent possible allergic reaction to sulfur, pretest unaffected area for sensitivity. Allergic reactions usually

appear within 24 to 48 hours. Wash out any prior treatments before applying Original M-T-G, as one of the other products may cause cross reaction. During use, keep animal out of intense sun to prevent sunburn. Applying Original M-T-G in early evening usually prevents sunburn from occurring. Using Original M-T-G more frequently than recommended may result in adverse effect. If irritation occurs, discontinue use, wash out and consult a Veterinarian, if necessary. Keep from reach of children. Not intended for human use. Basically non-toxic if swallowed. Do not induce vomiting. Consult your doctor. Flush with water if contact with mouth or eyes.
