

Show Touch-Up™ Spray

Shapley's™

Color Enhancer

BLACK

Covers Stains, Scars & Blemishes
Does Not Wipe Off, Run or Clump
Leaves a Natural Look and Feel
Ideal for Black and Bay Horses

DANGER: EXTREMELY FLAMMABLE MIXTURE. CONTENTS UNDER PRESSURE. EYE IRRITANT. READ BACK PANEL FOR COMPLETE SAFETY INFORMATION.

Show Touch Up quickly and easily covers stains, scars, flaws and blemishes. Developed specifically for horses, it does not smear, run or clump and will not wipe off. **Show Touch Up** leaves the coat soft and natural and promotes a fuller appearance when sprayed on tails. It is perfect for defining markings and enhancing hair color.

Directions: SHAKE WELL. Holding can 8 to 12 inches away, lightly spray on area where color is desired. SHOW TOUCH-UP produces a wide range of color, depending on the number of coats applied. If more cover is desired, allow to dry, brush lightly and add another coat. Continue until desired shade is achieved. Do not spray directly on face. Spray color on cloth and apply to face, avoiding eyes and mouth. Applying an oil-based product, including fly sprays, over SHOW TOUCH-UP may result in color coming off. SHOW TOUCH-UP may be left on without harm to the coat, mane or tail. For easy removal, apply a light coat of HI GLOSS, worm in and wash out with HI SHINE SHAMPOO. To prevent clogging, hold spray can upside down and spray to clear nozzle.

DANGER: Contains Acetone (C.A.S. 67-64-1), Propane (C.A.S. 74-98-6), n-Butane (C.A.S. 106-97-8). Flammable. Vapors will accumulate readily. Keep product away from heat, sparks, flames, pilot lights and sources of static discharge. Do not store above 120°F or in direct sunlight. Do not puncture, incinerate or discard in compactor. Use directional arrow on spray head to avoid spraying in eyes. May cause eye, skin and respiratory tract irritation. Use with adequate ventilation.

FIRST AID: In case of eye contact, flush well with water for 15 minutes. For skin irritation, wash thoroughly with soap and water. In case of respiratory difficulty provide fresh air and call physician. Keep out from reach of children.

NOTE: Use as directed. Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal. Primary health concerns regarding this product are related to the solvent vapors. Once this product is dried, these warnings do not apply. As a normal precaution for first time use, pretest animal for sensitivity.
