

# ProEnhancer Pigment-Free Hair Builder

## Weaver™ Livestock

### Show Day

**DANGER:** Extremely Flammable. Irritant. Contents Under Pressure. See Cautions On Back Panel. Shake Well.

ProEnhancer increases the volume and diameter of the hair shaft to add shape and dimension and prevent see-through. This pigment-free formula is perfect for building and covering with colored ProPaints.

### Health Matters

Our products DO NOT contain toxic compound methylene chloride.

**Directions:** Shake well. Prepare hair as preferred. Spray light even coats on areas that need thickened. Allow to dry. Cover with ProPaint. Remove using ProRefit or ProRemover, and wash with any Weaver Livestock shampoo. Over-spraying could cause hair to clump. Store and use at room temperature. After use, invert spray can to clear valve and spray tip. Clean with petroleum solvent if clogged.

**Danger:** Contains Isohexane, Dimethyl Ether, Acetone, Cyclohexane, and other proprietary ingredients. Extremely Flammable. Vapors will accumulate readily and may ignite explosively. Keep product away from heat, sparks, flames, and sources of static discharge. Do not store above 120°F or in direct sunlight. Do not puncture, incinerate or discard in compactor. Avoid contact with skin and eyes.

May cause eye, skin and respiratory tract irritation. May cause skin sensitization. Overexposure to vapors may cause nervous system depression resulting in symptoms such as lightheadedness, nausea, headache or permanent peripheral nervous system effects such as numbness in the extremities. Use with adequate ventilation, ensuring fresh air entry during application. If you experience symptoms of overexposure, increase fresh air or leave the area.

Avoid contact with skin and eyes. Pregnant women should avoid exposure to solvents. Primary health concerns regarding this product are related to the solvent vapors. Once this product is dried, these warnings do not apply.

### Keep out of reach of children.

**First Aid:** In case of eye contact, remove contact lenses and flush eyes with water for at least 15 minutes. Seek medical attention. For skin contact, wash thoroughly with soap and water. In case of respiratory difficulty, provide fresh air and call a physician immediately. Harmful or fatal if swallowed. Do not induce vomiting. Call physician immediately.

**Note:** Use as directed. Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal.
