

Lexol® Leather Tack Conditioner Step 2

Manna Pro®

Prolongs the Life of Leather

Our original formula helps prolong the life of your leather with regular use. Preserves the supple feel of your leather with fine oil droplets that nourish and maintain flexibility. Protects your leather from cracking, without leaving a greasy residue.

Use our convenient leather wipes to deep condition all your leather investments:
Saddles Bridles Harnesses Riding Boots Reins

To Open Package:

1. Open top of cap and peel off protective seal.
2. Pull out the first wipe from center of roll & thread through the trap.
3. Carefully, pull wipe at an angle through the trap. Do not push finger through trap. The next sheet pops up automatically.
4. When finished, close lid to retain moisture.

Directions: For the best care, start with **Lexol® Leather Tack Cleaner Wipes**.

Step 1: Massage wipe into your leather until formula is evenly dispersed.

Step 2: Allow to absorb into your leather for a few minutes.

Step 3: Wipe off excess with a clean cloth to maintain your leather's supple feel.

Lexol® Tip: To keep your leather tack in its prime, use **Lexol® Leather Tack Cleaner & Lexol® Leather Tack Conditioner** or **Neatsfoot** every 6 months, and **Lexol® Leather Tack 3-In-1 Quick Care** for touch-ups every 2 months.
REMEMBER TO TEST PRODUCT IN A SMALL, INCONSPICUOUS AREA BEFORE EACH USE.

Note: Not recommended for use on suede or extremely soft leather.

Store at temperatures no higher than 140°F to avoid container weakening.

Caution: Keep out of reach of children and pets.
