

SELECT Equi-Tussin™

Select Equi-Tussin cough syrup is an effective equine decongestant and expectorant.

DIRECTIONS:

Feed 2 to 4 ounces two or three times daily or 2 to 4 ounces before training. Add to grain or administer by oral syringe (not included).

CAUTIONS:

For use by veterinarian recommendation only. Do not use more than thirty days continuously. If signs of decreased appetite, water consumption are present or severe lung infection, consult your veterinarian immediately.

WARNINGS:

Not for human use.
Keep out of reach of children and other animals.
In case of accidental overdose contact a professional immediately.
