

# **Sullivan's White Out™**

## ***Sullivan Supply, Inc.***

### **Liquid Whitening Concentrate**

Sullivan's White Out, designed for show day use, delivers a renewed white appearance to dull hair, wool and skin on all white colored livestock.

- For Show Day use
- Provides a brighter whiter appearance
- Used to minimize the pink in the hide
- Can be diluted down to customize application
- Brush in for a smooth finish

**Directions:** For best results, shake well until thoroughly mixed. Mix 1/3 Sullivan's White Out with 2/3 Sullivan's Kleen Sheen, Sullivan's Silk or any other desired sheen. Shake well. Spray evenly over desired area. Brush or comb in and allow to dry. If a whiter appearance is desired, you may increase the amount of White Out concentrate that is mixed. Wash out with Sullivan's Rejuvenate shampoo after use.

**Warning:** Avoid spraying in eyes. Store at room temperature and out of the sun.

Keep out of reach of children.
