Ester-C® is a registered trademark of The Ester-C Company.

INACTIVE INGREDIENTS:

Alfalfa meal, citric acid, dried *Aspergillus oryzae* fermentation product, ground whole flaxseed, heat stabilized rice bran, hydrolyzed yeast, lignin sulfonate, natural flavors, natural mixed tocopherols, rosemary extract, silicon dioxide, vegetable oil, yeast culture and yeast extract.

CAUTIONS:

If animal's condition worsens or does not improve, stop product administration and consult your veterinarian.

Safe use in pregnant animals or animals intended for breeding has not been proven.

Absorption of drugs taken simultaneously may be delayed (Marshmallow Root Powder and Slippery Elm Powder).

Use with caution in hemolytic anemia and clotting disorders (Papaya Powder).

For use in equine only.

GASTRO-PLEX™ is recommended to help support healthy digestive function. Key ingredients (antioxidants, probiotics and herbals), help support healthy stomach tissue lining and may help ease occasional discomfort.

DIRECTIONS FOR USE:

(Enclosed measure approximates 1.5 oz based on density of product.)

Adult Horses (900-1,100 lbs): Provide 1.5 oz daily.

WARNINGS:

Not for human consumption.

Keep out of the reach of children and animals. In case of accidental overdose, contact a health professional immediately.

This product should not be given to animals intended for human consumption.

Store in a cool, dry place.
