For Clipper Blades

Enriched with Vitamin E

7 In One

- Coolant
- Deodorizer
- Lubricant
- Cleaner
- Rust Preventative
- Vitamin E Enriched
- Human/Animal Eco-Safe Formula

Blade Care Plus® is formulated for use by
HAIR STYLISTS • BARBERS • ANIMAL GROOMERS • VETERINARIANS

- Washes away hair & buildup

Directions For Use: With clipper running, spray Andis Blade Care Plus® for 10 seconds. Spray enough to cover steel/ceramic cutters only. Do not spray any part of the clipper handpiece. Wipe blades dry and reapply Andis Clipper Oil for further lubrication, wipe dry.

Andis Blade Care Plus® washes away hair, buildup and preservatives that accumulate on clipper blades. This easy and effective Seven-in-One product works as a lubricant, cleaner, coolant, and rust preventative. Blade Care Plus® leaves blades clean, lubricated and cool for optimal performance.

Lubricate: Blade Care Plus® leaves a light, lubricating film on blades that reduces friction, smoothes clipping action and prolongs blade life.

Warning:

Causes eye irritation. Do not get into eyes. Avoid skin contact. Avoid contamination of foodstuff.

First Aid:

If in Eyes: Immediately rinse with water for at least 15 minutes. Get medical attention if any discomfort.

If Inhaled: Inhalation is highly unlikely, but if occurred, remove person immediately from source. Get medical attention if any discomfort continues. For breathing difficulties oxygen may be necessary. If breathing stops, provide artificial respiration and call 911. Call poison control center or doctor for further assistance.

Storage: Store in a cool, dry area away from heat sources. Do not contaminate water, food or feed by the use, storage or disposal of this product.

Disposal: Offer empty container for recycling. If recycling is not available, discard empty container in trash.

The user of this product assumes all risks of use, storage and handling not in accordance with its directions and cautions.
