

Ice Cells

Professional's Choice®

- Perfect for cold therapy and icing down injuries of both horse and rider
- Remain flexible while frozen and conform to the leg to provide full/even coverage
- Designed specifically for use with SMB II® Sports Medicine Boots

Universal Size

Washing Instructions:

Hand wash in cool water with a mild soap. Rinse thoroughly to remove any soap residue and allow to drip dry. Machine washing is not covered by the manufacturer's warranty. (Note: Do not use solvents or other chemicals on Professional's Choice products.)
