

Fiebing's Foaming Saddle Soap

Fiebing Company

Cleans, Preserves & Restores

Fiebing's Foaming Liquid Glycerine Saddle Soap easily cleans, preserves, and restores smooth leather articles including saddles and tack, shoes, boots, handbags, saddlebags and smooth leather upholstery. Foaming action pulls dirt and grime from the leather

Directions:

Wipe off surface dirt with a clean, soft cloth. Gently press on foamer button to dispense foam directly on to article. Rub thoroughly with sponge, use brush or soft cloth until foam disappears and buff with cloth to a lustrous finish.

Not for use on suede or napped leathers.

This product is freezable and water soluble.

Keep out of reach of children.
