

Blue Frost Whitening Shampoo & Conditioner

Fiebing Company

Concentrated • With Aloe Vera

Every Horse Deserves the Fiebing Touch!

- Formulated to clean and condition white and gray coats.
- Contains special brightening agents that will whiten and brighten like none other.
- Removes tough urine and grass stains.
- Cleanses the hair thoroughly yet gently leaving hair soft and manageable.
- Delicately removes residual buildup of fly sprays, detanglers, environmental pollutants and hard water minerals.
- Conditioning agents build body and strengthen thinning, fragile, hair.
- Gentle, Aloe based formula conditions and protects skin and hair from damage caused by combing, drying and braiding.
- Concentrated formula produces thick, rich lather that is easy to rinse out.

Directions

Wet the horse's hair. Squeeze the desired amount of Blue Frost Whitening Shampoo & Conditioner into a pail. Add water to the pail to produce desired suds. Using a sponge, work up a full lather on your horse. In areas that are very dirty, stained, or where hair has been damaged, massage the lathered area for a few moments and allow lather to sit for 60 seconds. Rinse thoroughly and repeat as necessary.

Ideal for dogs, too!
