INGREDIENTS:

Dehydrated alfalfa meal, rice bran, corn distillers' dried grains with solubles, soybean meal, yeast culture, calcium carbonate, monocalcium phosphate, dicalcium phosphate, dried whey product, dried skim milk, cane molasses, dried molasses, soybean oil, magnesium oxide, magnesium proteinate, zinc proteinate, manganese proteinate, copper proteinate, cobalt glucoheptonate, ethylenediamine dihydriodide, sodium selenite, selenium yeast, manganese sulfate, zinc sulfate, copper sulfate, l-lysine monohydrochloride, dl-methionine, glycine, vitamin A acetate, cholecalciferol (source of Vitamin D3), dl-alpha tocopheryl acetate (source of Vitamin E), ascorbic acid, menadione sodium bisulfite complex, folic acid, thiamine mononitrate, riboflavin supplement, niacin supplement, d-calcium pantothenate, pyridoxine hydrochloride, vitamin B12 supplement, d-biotin, choline chloride, beta carotene, lactobacillus acidophilus fermentation product dehydrated, lactobacillus casei fermentation product dehydrated, bifidobacterium thermophilum fermentation product dehydrated, enterococcus faecium fermentation product dehydrated, dried aspergillus oryzae fermentation extract, hydrated sodium calcium aluminosilicate, natural and artificial flavors.

MEGA-CELL™ is a comprehensive nutritional supplement formulated for grass hay/grain diets providing vitamins, minerals, amino acids and live microbials.

DIRECTIONS FOR USE:

(Enclosed measure approximates 1 oz)

Adult Horses (900-1,100 lbs): Provide 1-2 ounces daily.

Consult your veterinarian for specific usage.

CAUTION:

Store in a cool, dry place.

For veterinary animal use only.

Keep lid tightly closed.

Keep out of reach of children.

NET CONTENTS: 25 lbs (11.36 kg)
