

Sheath & Udder Cleaner

Equi-Spa®

Horse Care That is Sensitive by Nature

Excellent for Sensitive Horses

Facilitates **proper** sheath and udder cleaning to **ensure** the **health** and **well-being** of your horse.

Helps **soften debris** for **easy removal** even from sensitive areas.

Soothes and **moisturizes** inflamed skin and sore spots.

Deodorizes and **protects** against the build-up of dirt and sweat to prevent yeast and bacterial infections.

Directions: Apply generously to teats/sheath and surrounding area. Let sit for 10-15 minutes and then rinse lightly with warm water.

Recommended for use at least two times per year (spring and fall) or more often as necessary.

Made in the USA
