

RelaxSaver

Figuerola

RelaxSaver (100% Sedaxine) is specially designed for moody and nervous horses. It is an all-natural, safe equine relaxant containing proprietary formula Sedaxine. RelaxSaver is specifically formulated to work gently with your horse's natural chemistry to help reduce anxiety, nervousness, stress, and tension, without diminishing alertness or jeopardizing your horse's health.

RelaxSaver's calming and pain-relieving properties help improve concentration, coordination, training, performance, transportation and post-injury rest. Give 1 – 2 scoops twice daily. For official competition events, discontinue use 7 days prior to event. Powder.

RelaxSaver contains the following powerful proprietary botanical extracts, vitamins, minerals, amino acids, and other natural compounds that calm and soothe your horse:

- Valerenic acids
- Chamomile
- Passion flower
- Vinpocetine from Vinca minor (lesser periwinkle)
- 5-htp (5-hydroxytryptophan) from the seeds of Griffonia simplicifolia
- Gingko biloba
- Hops
- L-tyrosine
- Inositol
- Calcium and magnesium
- DMG (N-N-dimethylglycine)
- Red clover with concentrated levels of B-complex vitamins
- Wood betony

Ingredients:

Valerenic acid (from Valerian Plant), chamomile extract, 5-HTP (5-hydroxytryptophan), wood betony extract, passion flower extract, hops extract, St Johns Wort, red clover extract, Inositol, Dimethylglycine (DMG), B-complex vitamins, vitamin C, calcium, magnesium, tyrosine, ellagic acid, vinpocetine, ginkgo biloba extract.

Dosage and Administration:

Dosage:

Feed 1 to 2 scoops twice daily. For official competitive events, discontinue seven

days prior to event. If calming is still needed, use Anti-Stress Formula by Figuerola® during competition.

Information:

This product is a nutritional dietary supplement. Keep this and all other medications out of reach of children. For oral use in horses only. Store at room temperature 59-86°F (15-30°C). Replace lid after each use. Use within suggested use by date.
