Active dry yeast (*saccharomyces cerevisiae*), alfalfa meal, *aspergillus oryzae*, calcium propionate, dried whey, glycine, ground whole flaxseed, lecithin, lignin sulfonate, natural flavors, natural mixed tocopherols, rosemary extract, soybean meal, stabilized rice bran and vegetable oil.

CAUTIONS:

If animal's condition worsens or does not improve, stop product administration and consult your veterinarian.

Safe use in pregnant animals or animals intended for breeding has not been proven.

Federal law prohibits the off-label use of this product in ruminants.

Follow label directions. Feeding added selenium at levels in excess of 0.3 ppm in the total diet is prohibited.

For use in equine only.

5-IN-1™ H/A is formulated for grass hay/grain diets providing vitamins, minerals, amino acids and probiotics. Included in this comprehensive formula are ingredients to help support healthy joint function (glucosamine, chondroitin sulfate, hyaluronic acid, etc.).

DIRECTIONS FOR USE:

(Enclosed measure approximates 56.7 g)

Adult Horses (900-1,100 lbs): Provide 1 scoop (56.7 g) **twice daily** during high level stress and/or working conditions.

For lower maintenance level, provide ½ scoop (28.4 g) **twice daily**.

WARNINGS:

Not for human consumption. Keep out of the reach of children and animals. In case of accidental overdose, contact a health professional immediately. This product should not be given to animals intended for human consumption.

Store in a cool, dry place.
