

Pick-No-More Lotion For Poultry

Rooster Booster®

Reduces Cannibalism - For External Use On Domestic Poultry

Ingredients:

Water, Methyl Anthranilate (4.80%), Tea Tree Oil (0.54%), Calendula (0.52%), Aloe Vera Gel (0.35%)

Directions:

Shake Well Before Using. Remove cap, invert bottle and squeeze, spreading lotion on targeted area with tip of applicator. **Note:** Game birds may require more frequent applications.

Use only as directed. Use eye protection. Avoid contact with eyes and other mucous membranes. Wash hands thoroughly after each use with soap and water. If product gets into eyes or mucous membranes, flush thoroughly with cold water for 15 minutes.

For External Use Only

Keep Out Of Reach Of Children

Not For Human Use
