

# Paw-Be-Gone Instructions

Draft, Horse, and Mini Sizes Available

**1**

With the closure open, slide band onto the cannon bone from the rear of the leg.

**2**

Lower the band over the fetlock and down onto the pastern.

**3**

Holding the band, use the tab to stretch the elastic across the opening to secure.

*The Paw-Be-Gone should only be used when horse is tied, trailered or stalled. Remove prior to riding.*
