

Powder'Ful™

Sullivan Supply

Powder Spray **Hair Thickening Powder**

The First HAIR BUILDING Powder Spray specifically designed for livestock hair! POWDER'FUL creates added depth and dimension to each hair follicle during the hair building process, without the appearance of becoming too heavy, globby or un-natural. Great for legs, bellies, flanks, top-lines and tail heads. As an added benefit, after applying over adhesives, the drying powder agents contained in POWDER'FUL allow the hair to be clipped easily, better than any previously known product!

Directions: SHAKE WELL before each use. Groom the hair with adhesive to desired appearance. Apply POWDER'FUL directly over adhesive. Repeat until the desired results are achieved. After final application has dried and the final clipping is complete, apply the touch-up color to match your animal. Note: Color enhancements may be prohibited at some shows. Please check the show rules regarding the use of coloring agents and hair building products. Remove with Sullivan's Hair Savior™ Adhesive Breakdown and Sullivan's Vita Hair Volumizer Foaming Shampoo.

Caution: For external use only. If swallowed get medical attention or contact a Poison Center. Avoid spraying in eyes. Rinse with water to remove. Do not spray on open cuts or irritated skin. If a rash or irritation develops, discontinue use.

Use only as directed. Intentional misuse by deliberately concentrating and inhaling the contents can be harmful or fatal.

Flammable: Keep away from heat, sparks and flames. Do not smoke while using. Contents under pressure. Do not puncture container. Do not expose to heat or store at temperatures above 120 degrees F as can may burst. Use with adequate ventilation.

KEEP OUT OF REACH OF CHILDREN.

Contains Hydrofluorocarbon Propellant, Talc
