

Belvoir® Tack Conditioner

Carr & Day & Martin®

Glycerine Conditioning Spray Soap

Step 2 Conditioner- Use After Belvoir Tack Cleaner

- Softens preserves and conditions leather.
- Creates a protective barrier and leaves an attractive shiny finish.

Belvoir Tack Conditioner contains a blend of coconut oil and glycerine to soften, protect and condition leather and saddlery items, effectively prolonging their life. For best results use after Belvoir Tack Cleaner.

Instructions for use: Shake well, spray evenly onto clean, non-greasy tack and rub into the leather. When dry, polish using a soft, dry cloth. Use regularly for best results. Not suitable for aniline or untreated leather, suede, or nubuck. Store between 5-25°C. If using for the first time perform a patch test 24 hours before use.

Warning: Flammable liquid and vapour. Keep out of reach of children. Keep container tightly closed. Keep away from sources of ignition – no smoking. Dispose of contents/container in accordance with local and national regulations.
