

Dust on Wound Dressing

by Four Oaks Farm-No Thrush®

All-in-one Wound Dressing. All Natural! For **ALL** Animals!

Staunch Bleeding Fast.

Draw & Absorb Discharge.

Create Firm, Breathable Scab.

Allow Body to Heal Naturally.

Does Not Damage Live Tissue.

Non-Caustic for Proud Flesh.

Also For Dehorning/Docking.

Ingredients: Active: 13% feed grade copper salt (copper sulfate pentahydrate.)

Inert: high-purity airfloated kaolin clay, premium Wyoming-grade sodium montmorillonite, bentonite, food grade diatomaceous earth and oregano powder.

Directions: Shake well before use to reduce settling. Snip top above cut-line. Before first use, gently cleanse affected area and remove all debris. (Thereafter cleanse only if necessary.) Puff powder directly on and around laceration, abrasion or rash. Use 1-3 times per day until bleeding and drainage ceases. Once per day thereafter. When scab size has considerably decreased continue use 2-3 times per week to aid against proud flesh.

Caution: Not for human use. Do not take internally. Avoid direct contact with eyes. Use in well ventilated area. Use mask if desired.
