

Feliway® MultiCat Diffuser Plug-In

Ceva Animal Health, LLC

Happy Cats

Calming and comfort

Helps reduce common signs of tension between cats at home such as:

- Conflict
- Fighting
- Chasing
- Blocking

30 DAYS

Plug-In Diffuser & Refill 1.6 fl. Oz. (48 mL)

KEEP OUT OF REACH OF CHILDREN. Read back panel and insert prior to use.

Delivers Calming Messages:

After giving birth, mother cats naturally produce pheromones that send “harmony messages” to kittens. These messages are calming and promote bonding.

Feliway® MultiCat mimics these natural harmony messages to restore harmony between cats living together, helping to reduce conflict, tension and fighting.

Easy to Use:

Just plug into a standard electrical outlet in your cat’s favorite room.

For maximum calming results, keep the diffuser plugged in 24/7 and replace the refill bottle every 30 days. See insert for further information.

Safe:

- When used as recommended.
- When used in combination with medications or treatments.
- For all life stages from kittens to older cats.
- **Feliway® Multicat** is NOT a sedative or tranquilizer.
- **Feliway® Multicat is for cats only.** Only cats can detect this pheromone. Dogs and people are not affected.

Feliway® MultiCat heated diffuser and refill provides calming pheromones continually for up to 30 days in a 700 square foot area.

Use with standard 120V AC only. Never use with extension cords, adapters, or voltage converters.

Use **Feliway® MultiCat** Refill **ONLY** with **Feliway®** brand diffuser. Replace diffuser every 6 months.
