

THE PRECISION INSECTICIDE DELIVERY SYSTEM FOR CATTLE.

# INTRODUCING AIM-A ABAMECTIN.

THE ONE-TWO PUNCH TO PREVENT AND COMBAT  
HORN FLY RESISTANCE.

## VETGUN™ INTRODUCES A NEW TOOL IN THE BATTLE AGAINST HORN FLIES.

Use new AiM-A with AiM-L™ in rotation to deliver a one-two punch – two different modes of action – for the treatment and control of horn flies.

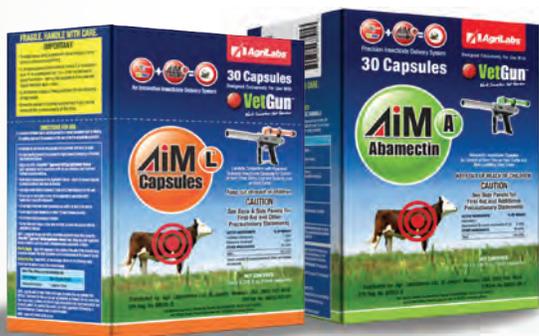

VetGun is the easy-to-use, precision-dosage delivery system for treating parasites on cattle that now features unique ingredients – two different modes-of-action – for optimum control.

## EFFECTIVE IN-SEASON ROTATION PROGRAM NEW AIM-A ABAMECTIN VETCAPS.

**AiM-A VetCaps** are gelatin capsules containing 10 mL of abamectin (a macrocyclic lactone in the avermectin family), an Environmental Protection Agency (EPA)-approved systemic insecticide for effective control of horn flies on beef cattle and non-lactating dairy cattle.

**AiM-L VetCaps** contain 10 mL of lambda-cyhalothrin (a pyrethroid), an Environmental Protection Agency (EPA)-approved topical insecticide proven effective for control of horn flies and lice on beef cattle.

Both are available in 30ct and 150ct packages.

## GET A ONE-TWO PUNCH ON HORN FLIES – CONTROL LICE

The following is a sample rotation schedule of how AiM-L and AiM-A VetCaps could be used for control of horn fly and lice if first treatment of the season is with ivermectin.

- Step 1:** Treat with AiM-L when flies start to appear
- Step 2:** Treat with AiM-A\* when flies approach approximately 200/animal
- Step 3:** Treat with AiM-L four weeks after AiM-A treatment

During winter and early spring, treat with 2x AiM-L two weeks apart to control lice.

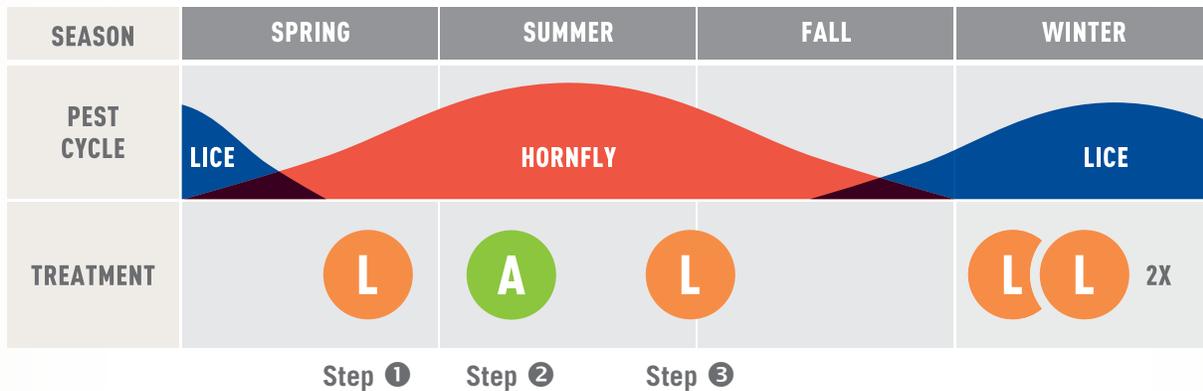

## EFFECTIVE AND PROVEN CONTROL

The effectiveness AiM-L and AiM-A against horn flies is proven. In a recent field trial, both VetCaps were applied to test cattle having populations of approximately 770 horn flies each. Within one week following application, horn fly populations were reduced to “zero.” AiM-A provided four weeks of control.<sup>1</sup>

## VETGUN LIFETIME WARRANTY

Along with its simple and accurate operation, VetGun is built to last. It’s exceptional engineering, manufacturing and quality of materials are underscored by an exceptional lifetime warranty.
