### Volumizing Spray

#### Show Day & Daily Care

Amp up your calf's volume and shine for professional results with ProAmp! Active ingredients cinnamaldehyde, eucalyptus, peppermint and camphor oil boost circulation and give skin a tingling, cooling effect: a sure combination to achieve hair that stands on end! Spray on before clipping or before a show for amped up pop and bloom.

**Directions:** Shake well before using. Spray ProAmp onto clean, dry hair. Comb product into the hair while blow drying for 5-10 minutes for maximum volume.

**Caution:** Do not ingest. If ingested, do not induce vomiting. Seek medical attention. If there is contact with eyes, remove contact lenses and flush eyes with water for 15 minutes. Do not freeze. Keep out of the reach of children.
