

Spring Fling Mobile Coop Nesting Box Assembly Instructions

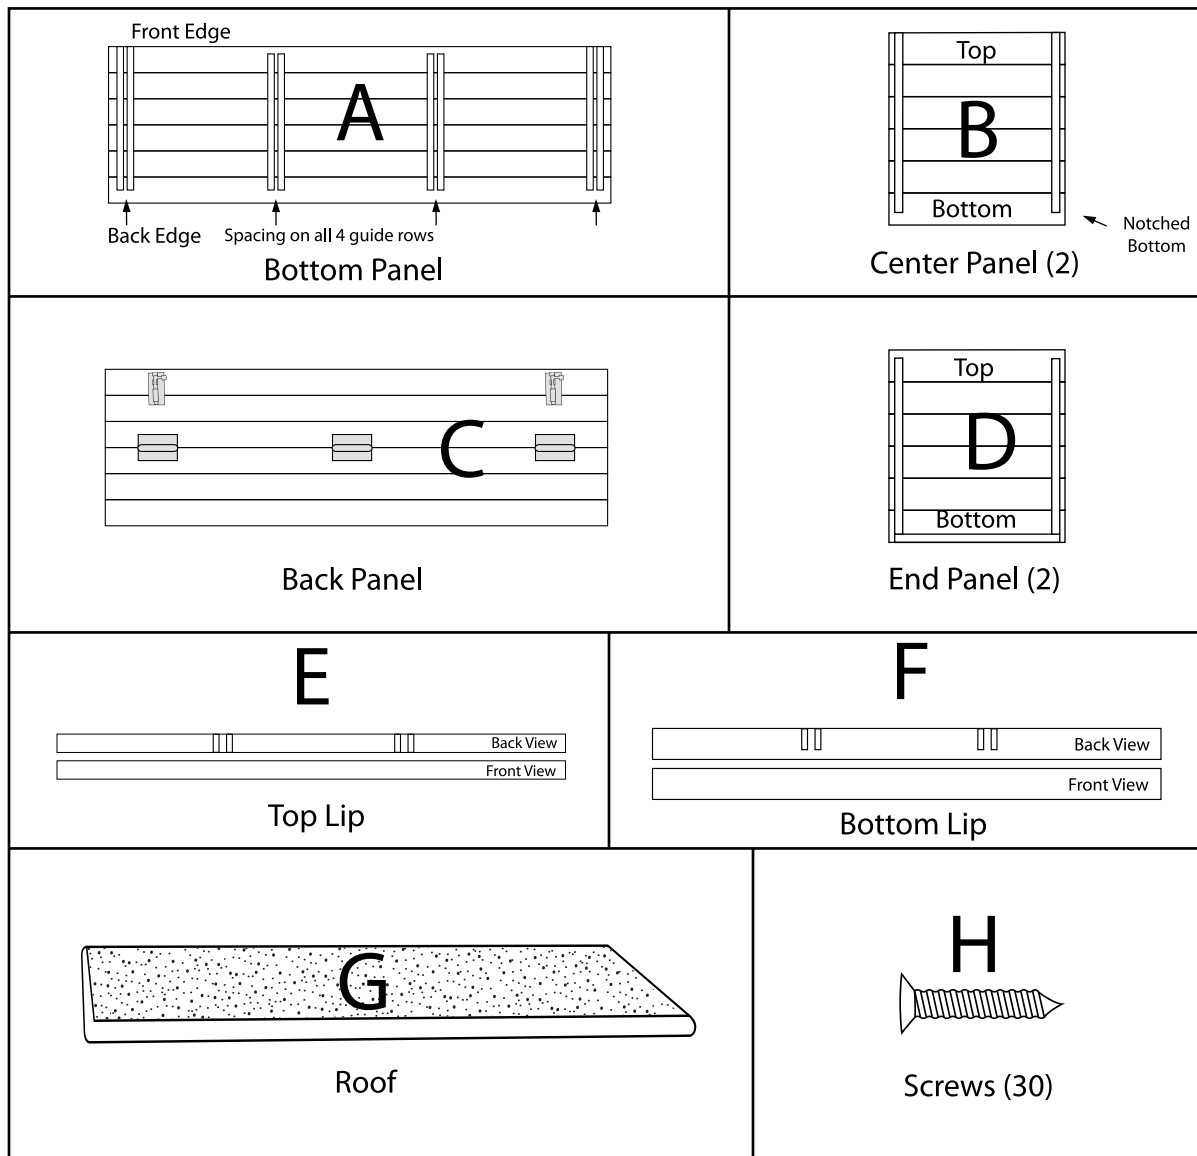

Important Notes:

Lay out all components prior to start of assembly.

Flat level surface recommended for assembly.

If any components are missing or damaged do not return to retailer. Please call Rugged Ranch Products at: 760-734-3748.

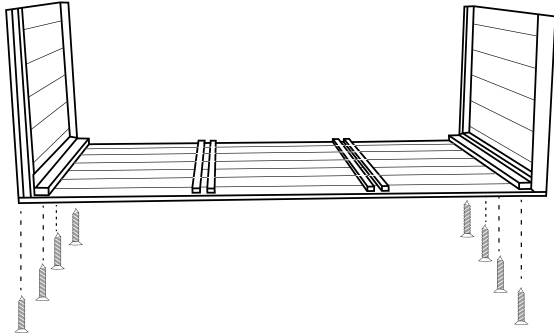

Please visit our website to see our complete line of Rugged Ranch Products.
www.ruggedranch.net

Step 1

Place Bottom Panel (A) on table with back edge closest to you. Attach both End Panels (D) on Bottom Panel.

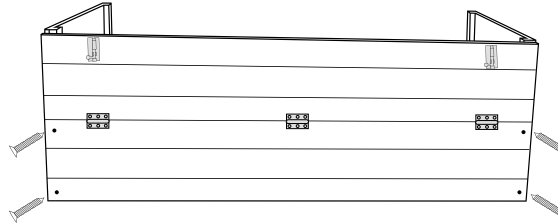

****Please note:** Back edge on panel A is the edge with spacing from all four guide rows.

Step 2

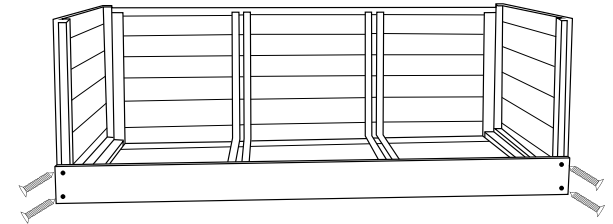

Attach Back Panel (C) to End Panels (D).

****Back Panel must be on back edge of Panel (A) and sit flush.**

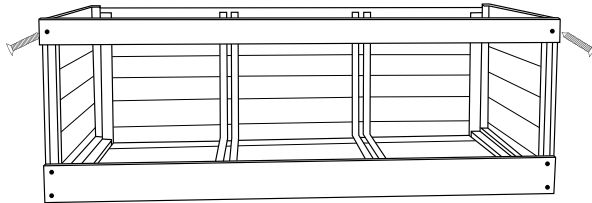

Step 3

Attach Bottom Lip (F) to End Panels (D).

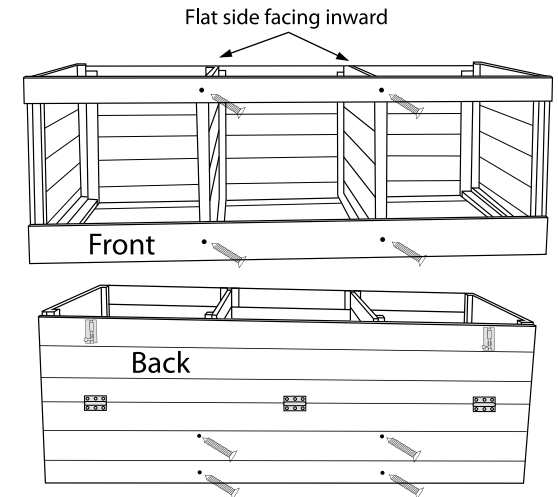

Step 4

Attach Top Lip (E) on to End Panels (D).

Step 5

With flat sides facing in and notched bottom side down, insert Center Panels (B) into middle tracks. Line screw holes up with wooden frames and screw in remaining 4 back panel screws (H) and front 4 remaining lip screws (H).

Step 6

Place Roof Panel (G) on top of assembled hutch with wooden border facing front. Latch Back Latches into roof to ensure alignment. With latches in place, screw in remaining 4 roof screws.
