Back on Track®

Herbal Rich LINIMENT Brace & Wash

Refreshing mint

ABOUT LIMBER UP®

Limber Up® LiniMint® Leg & Body Brace is an all-natural cooling liniment created to help improve suppleness and range of motion. Soothes overall aches, joint stiffness, muscle, tendon and ligament soreness commonly associated with daily use and exercise.

DIRECTIONS: Shake Well Before Using.

On average dispense two (2) pumps per leg.

Liniment

- Use full strength right from the bottle before or after exercise.
- Apply as a warm-up prep before exercise.
- Use under saddles, blankets and wraps.
- Use as a massage rub and leg brace.
- Apply directly to the hoof and sole if sore, bruised or overly moist.
- Use under poultice.

Body Brace & Bath Wash

Dilute ½ to 1 oz. in a gallon of water. Creates a stimulating and refreshing brace and wash. Use to soothe and cool down large muscle groups. Use full strength or in dilution.

INGREDIENTS

Limber Up® LiniMint® is a proprietary blend of all-natural ingredients in a Witch Hazel and Aloe Vera base with Arnica, Rosemary, Rosehips, Yucca Root, Plant based Foaming Agent, and Essential Oil of Peppermint.

This special combination of ingredients was carefully selected based on modern science and ancient herbal practice. Their synergistic benefits are specifically designed for the equine athlete. Highly effective, yet extremely gentle to the skin.

Limber Up® LiniMint® Leg & Body Brace has shown great results with **Back on Track® Welltex®** products and other types of therapy equipment and protocols.

BSCG CERTIFIED DRUG FREE

The **Banned Substances Control Group** program provides assurance that ingredients used to product this formula are free from banned substances and other harmful agents as currently defined by international racing and sport horse authorities that can lead to health concerns or positive tests.
