Help Protect Your Dog Against Internal and External Parasites

CannaLove Antiparasitic K-9 Support is a tasty way to rid your pet of unhealthy infestations of both internal and external parasites, without the unwanted side effects often associated with synthetic parasite medication. Scientifically proven ingredients serve to cleanse the system, helping to reduce systemic yeast infections which compromise health and weaken immune system functions. All-natural relief with the time-proven effects of garlic, licorice, ginger and fennel. CannaLove Antiparasitic K-9 Support is a safe, effective alternative to chemical products and should be an important part of your dog's every day nutritional needs.

CannaLove Antiparasitic K-9 Support will help to:

- Expel Internal Parasites Such As Roundworm, Hookworms & Whipworms
- Repel External Parasites Such As Fleas & Ticks
- Restore Digestive Health After A Parasitic Infection
- Reduce Parasite-Related Problems Such As Anxiety & Malnutrition
- Cleanse The Digestive System To Improve Digestion
- Protect Against Bacterial Infections
- Inhibit Yeast Overgrowth In The Digestive Tract
