MEGA-FLX[®] +HA With **FLX⁴ Functional Antioxidant**

JOINT & MUSCLE HEALTH/MOBILITY SUPPORT

- Dual action formula – joint & muscle
- Proprietary FLX⁴ Functional Antioxidant
- Superior Average Lameness Improvement
- High purity, clinically studied MSM
- High purity, pharmaceutical grade HA
- High purity selenium (99% pure)
- 100% bioavailable vitamin E

Description

MEGA-FLX+HA is a patented solution combining our proven selenium and vitamin E absorption system for muscle soreness along with premium key nutrients that promote joint health. **MEGA-FLX+HA** is the only joint supplement to contain FLX⁴, a proprietary brand of functional antioxidant shown in studies to provide a superior 1.75 average lameness improvement (AAEP's Lameness Grading Scale). Most joint supplements average only around 1.0. **MEGA-FLX+HA** combines the fast relief of HA and MSM to the long term lameness improvement of our FLX⁴ ingredient.

Indications

For horses experiencing joint pain and muscle soreness.

How Supplied

Spectra	Size	Description	# Days Supply
11128	32 oz. (0.945L)	Mega-Flx [®] +HA Equine	18 to 32
11148	1 gal. (3.78L)	Mega-Flx [®] +HA Equine	114 to 128
11158	2.5 gal. (9.44L)	Mega-Flx [®] +HA Equine	306 to 320

Directions: Shake well before use.

Loading Period: Mix 0.5 oz. (15 ml) twice daily per 500 lb. (approx. 225kg) animal weight into feed for the first 14 consecutive days.

Maintenance: Mix 0.5 oz. (15 ml) daily per 500 lb. (approx. 225kg) animal weight into feed.

Expect Results: Within 7 days.

USEF & FEI Compliant

THE SORE MUSCLE & JOINT SOLUTION™

MEGA-FLX[®] +HA

Function FactsSM

Functions associated with the key nutrients in the product.

Joint Repair	FLX ⁴ , Proline, Glycine
Joint Health	FLX ⁴ , MSM, Proline, Glycine, Glutamine, Manganese, Copper, Hyaluronic Acid
Joint Lubrication	Hyaluronic Acid
Muscle Repair	Selenium, Vitamin E
Muscle Tone	Selenium, Vitamin E, Glutamine
Antioxidant	FLX ⁴ , Selenium, Vitamin E, Copper, Manganese
Connective Tissue Production	Copper, Proline, Vitamin B6
Healthy Coat & Hoof	FLX ⁴ , Selenium, Vitamin E, MSM
Improved Mobility	FLX ⁴ , Selenium, MSM, Hyaluronic Acid

GUARANTEED ANALYSIS (Minimum unless otherwise indicated)		per 1 fl.oz. (30ml) serving
Glycine	1.12%	160 mg
L-Proline	0.35%	100 mg
L-Glutamine	1.12%	160 mg
Sulfur	5.2%	680 mg
Vitamin E	1,600 IU/lb	100IU
Vitamin B6	512 mg/lb	32 mg
Manganese	730 PPM	21.6 mg
Copper	404 PPM	11.94 mg
Selenium	60 PPM	2 mg
Methylsulfonylmethane (MSM)		1500 mg
Hyaluronic Acid (HA)		150 mg

EQUINE SORENESS REDUCTION SYSTEM

Dual Action Formula

Joint soreness leads to muscle soreness. **Mega-Fix** addresses both.

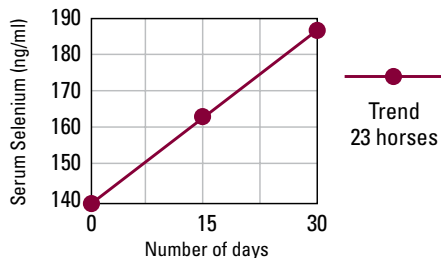

Powerful Antioxidants

Mega-Fix contains high purity selenium and vitamin E antioxidants along with our potent FLX⁴ functional antioxidant. Unlike typical antioxidants that require one molecule of antioxidant to be sacrificed for every free radical, FLX⁴ antioxidant is so powerful that one molecule can quench millions of free radicals.

Spectra has 30 years experience with safe and effective selenium supplementation to reduce muscle soreness, including an absorption study.

Field Testing

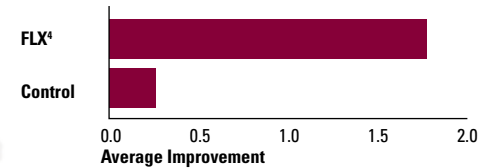

* Serum selenium testing conducted at Michigan State University

* Every production batch is independently lab tested to assure the proper selenium content.

Long-Term Effect

While some nutrients in **MEGA-FLX+HA** are there to provide short-term results, FLX⁴ is all about long term joint health. In a double blind controlled study, 100% of horses receiving FLX⁴ showed significant joint and lameness improvement at 60 to 90 days. FLX⁴ does not mask joint soreness. It works to actually repair the joint and create a healthy environment to help reduce the potential for future injury.

FLX⁴ Improves Horse Lameness

(Study conducted using AAEP's Lameness Grading Scale)

4 parts to long term joint health through FLX⁴ Functional Antioxidant

Increases taurine, which modulates the inflammatory process	Very high cysteine content aids in making high sulfur joint polymers which absorb shock and reduce damage
Powerful antioxidant suppresses free radicals caused by inflammation	Stimulates cellular proliferation aiding joint cell growth and helping to repair damage

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent and disease.
