

# **Tea-Pro® Wound Spray**

## ***Essential Equine***

### **Veterinary Formula For**

Cuts, Open & Deep Wounds, Sores in Mouth, Teeth Problems

**No Alcohol, Non-Stinging, Rapid-Acting, Anti-Microbial**

### **Equine & Pet Wound Spray**

**with Tea Tree Oil, Goldenseal, Comfrey, Myrrh, Aloe Vera**

Use directly on Open Wounds, Non-greasy, made with Nature's best Healing Agents and Antiseptics, Safe on Horses, Dogs & Cats.

**Indications:** Tea-Pro is an excellent aide in the treatment of open wounds, lacerations, cuts, burns and abrasions, as well as sores in the mouth from bits or teeth problems. Aids in the reduction of proud flesh and skin closure for even healing.

**Directions:** SHAKE WELL BEFORE USING. Gently clean affected area, removing all dirt and debris. Shake well and spray directly on affected areas or open wounds 2-3 times daily, coating the area liberally.

You can hold the bottle upside down and it will still spray.

**Active Ingredients:** 4% Tea Tree Oil

**Ingredients:** Water, Polysorbate (emulsifier), Goldenseal, Comfrey, Myrrh, Aloe Vera

**Caution:** For deep puncture wounds, consult your veterinarian. If a pus discharge or bad odor persists, discontinue use and consult your veterinarian.

### **Warnings:**

Avoid contact with eyes.

For animal use only.

Keep out of reach of children.
