

D.F. Crosley's® Special Purpose Livestock Shampoo

Sullivan Supply

Inhibits and controls fungal and bacterial growth with natural ingredients

Gentle foaming pH balanced shampoo formulated with natural ingredients.

Uses Selected Essential Oils to inhibit and control fungal and bacterial growth and acts as an insect repellent. Contains Tea Tree Oil, Oregano Oil, Thyme Oil and ionized Copper and Zinc.

The gentle cleaning action reduces stripping of the natural oils from hide and hair with only naturally derived plant based ingredients that are Sulfate free, Amide free, EO/PO free and NO 1,4-Dioxane.

Replenishes and moisturizes skin and hair with natural oils including Jojoba, Lanolin and Aloe.

Designed to be used with a soap foaming sprayer or bucket.

Caution: Essential Oils may be irritating to the eyes. Avoid prolonged contact. Flush with water if irritation occurs.

Contains:

Distilled Water, Vegetable Derived, Mild Amphoteric Surfactants, Coco-Betaines, Tea Tree Oil, Oregano Oil, Thyme Oil, Ionized Copper, Ionized Zinc and Jojoba, Lanolin and Aloe.
