Rain Rot – Fungus – Odor

PREVENT

Chafing – Fungus – Bacteria

Dries Sweat, Cleans Dirt, Leaves Shine

Non-Toxic – Talc-Free

Proudly made in the USA by Horsepowder, Inc.

Hand apply powder directly to coat using your palm to rub gently in.

Sprinkle directly on boots, wraps, & helmets as well as under pads and blankets.

When using as a dry shampoo, curry into the coat and see the shine!

Ingredients: Proprietary blend of Sodium Bicarbonate, maranta arundinacea (arrowroot) powder, bentonite clay, zea mays (corn starch), menthe piperita (peppermint) oil.

USEF and FEI Compliant

Our mission is to provide the equine community with effective solutions that are safe for horses, the humans that care for them, and the planet we share.
