

Restore Pro

Sullivan Supply

Performance Electrolyte with Probiotics and Prebiotics. For Cattle, Hogs, Sheep and Goats.

Restore Pro is an excellent electrolyte supplement created for optimum fill and hydration while at home and on the road. This high energy, performance electrolyte replenishes the hydration of the animal and restores depleted muscle cells making them fuller and more hydrated. With added probiotics and prebiotics to help support gut health in times of stress. By top dressing this product in the weeks leading up to departure, you are allowing your animal to look their best even in stressful times.
