

Exhale

Show-Rite®

Multi-Species Supplement For All Classes of Swine, Sheep, Goats and Beef Cattle

Directions: Apply 2 ml per 100 lbs. of body weight at the back of your livestock's tongue. Exhale can be given up to two times a day during show or for general respiratory support throughout the growing phase. Replace cap after each use.

Warnings: Oral use in livestock only. Not intended to diagnose, treat, cure or prevent any disease. If condition persists consult a veterinarian. Avoid contact with eyes and mucous membranes. Store at room temperature. Keep out of reach of children.

Ingredients: Water, Corn Syrup, Acetic acid, Ethyl alcohol, Menthol, Xanthan gum, Sage oil, Potassium iodide, Turmeric powder, Magnesium sulfate, Potassium sorbate, Ascorbyl palmitate (preservative), Aloe, Thyme oil and Lemon oil.
